

For all counsel with hearings scheduled before the Honorable Phillip J. Shefferly assigned to Chapter 13 Standing Trustee, Krispen S Carroll:

Please be advised that ALL Chapter 13 status conferences and contested hearings will be conducted telephonically through April 13th pursuant to the Administrative Order of the Court.

If your matter has not been resolved or adjourned by the Monday prior to the Tuesday hearing, a telephone status conference will be held at the normally scheduled time. The moving parties and those who have filed formal objections to the scheduled matter will be included in the conference call. The telephone number listed for debtor and creditor counsel on the filed pleadings will be used. If extensions are needed or an alternative telephone number is preferred, that information should be provided in advance of the scheduled hearing. All calls will be initiated by the Office of the Chapter 13 Trustee.

Please be prepared and available to participate in the call during the assigned status hour. All matters unresolved following the status conference will be assigned a time for a telephonic contested hearing to take place on or after 11:30 a.m. on the date of hearing.
